

Winter 2017-2018

# Ice and Cross-Country Ski Run Supporting Contribution

Information Sheet for Day Guests, Residents and Second Home Owners

Also in this winter ice surface and cross-country ski runs are serviced. For their use day guests need to pay a supporting contribution of € 5,-. For children up to 14 years old, residents, second home owners and overnight guests (in this case the contribution is included in the visitor's tax) this service remains free of charge.

## Supporting Contribution for Ice Surface and Cross-Country Ski Runs

For the use of the ice surface and the cross-country ski runs day guests from 14 years on have to pay a supporting contribution of € 5,- for the day ribbon and € 50,- for the season ribbon. The ribbons are available at Weissensee Information, the municipal office and from the ice and ski run butlers. The sales points are marked accordingly. The decision of realizing this fee for day guests became necessary since the infrastructure has exclusively been financed by overnight guests paying the visitor's tax. The additional earnings are used only for the infrastructure's maintenance and improvement.

## Parking System In The Nature Park Lake Weissensee

Parking at the car park P1 at the village entrance of Praditz (in front of the filling station) is free of charge. The public car parks in the village centre remain serviced and are charged with € 6,-/day!

Attention: The car park at camping site Müller is a private parking lot!

## Nature Park Busses Lake Weissensee

During the winter season the nature park busses operate daily from 9 am to 5 pm on the half hour and are free of charge for holders of Adventure Pass "mobile+". Guests without Adventure Pass "mobile+" can buy the ticket from the following sales points: ticket sale on the bus, municipal office, Weissensee Information, Moni's Eck.

Costs: € 3,- for the day ticket; € 20,- für the seven-day ticket

## Supporting Contribution – this is how it works:

1. Free parking at the parking lot P1 in Praditz
2. Get your lake Weissensee supporting ribbon (coloured paper ribbon for € 5,- from 14 years on)
3. Sales points are the ice and ski run butlers, Weissensee Information and the municipal office

**Get your supporting ribbon and enjoy an unforgettable winter day at lake Weissensee!**

Important note: For winter hikers the use of the ice surface is free of charge!
